FOH family Program featured in on WNEM

PhotoVoice Wins Bronze Bowtie Award

FOH opens Adolescent Outpatient Program

Flint Community Equity Solutions Center expands Recovery Coaching

## I Team Report Features Family Programming

Meg McLeod of WNEM featured Flint Odyssey House Comprehensive Family Services as part of a recent I Team Report about the opiate epidemic. In addition to residential services, our comprehensive service array also includes outpatient, recovery housing and specialty coaching through the Enhanced Women's Specialty program. You can see the full story at <http://www.wnem.com/story/35825555/i-team-report-recovery-home-for-families>. Thank you WNEM TV 5 for your support in demonstrating how pregnant and parenting women are a priority for admission to treatment.

## PhotoVoice Team Wins Bronze Bowtie Award

Bethlehem Temple PhotoVoice team was chosen to receive the 2017 Robert M. Pestronk Excellence in Public Health Award (The Bronze Bow Tie Award).

Presented at the Genesee County Health Department Annual Conference on May 9th.

Read all about the [Bethlehem Temple PhotoVoice Project](#)

## Adolescent Outpatient Program

Flint Odyssey House Adolescent Out Patient has begun enrolling youth ages 13-17. In Intensive Outpatient programming.

Call (810)232-7919 for more information.

## Research Grant Expands Recovery Coaching Options and Opportunities

Flint Odyssey House in Partnership with Michigan State College of Human Medicine will be implementing the Strengthening Flint Families Program; a multi-tiered intervention program designed to promote and sustain behavioral health for Flint area families. The program includes building the recovery community through the development of certified recovery coaches and community wide implementation of the evidence-based Strengthening Families Program.
